DIRECTORS REPORT continued YEAR ENDED 31 AUGUST 2015

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with Irish Generally Accepted Accounting Practice ("Irish GAAP"). Under the company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SCOUTING IRELAND FOR THE YEAR ENDED 31 AUGUST 2015

We have audited the financial statements of Scouting Ireland for the year ended 31 August 2015, which comprise the Statement of Financial Activities, the Balance sheet, Cashflow and the related notes. The financial reporting framework that has been applied in their preparation is Irish law and accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland).

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements giving a true and fair view and otherwise comply with the Companies Act 2014. Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

BASIS FOR QUALIFIED OPINION ON FINANCIAL STATEMENTS

National campsite income amounted to €513,923 (2014: €501,816) for the year ended 31 August 2015 and comprises receipts by cash and cheque. Scouting Ireland has implemented a number of controls over this income at each campsite location. However because of the limited segregation of duties in the performance of these controls, we were unable to rely on these controls for the purpose of our audit. There were no other satisfactory audit procedures that we could adopt to confirm independently that all such income due to the company was properly received.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the assets, liabilities and financial position of the company as at 31 August 2015 and of its surplus for the year then ended; and
- have been properly prepared in accordance with the requirements of the Companies Act, 2014.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SCOUTING IRELAND FOR THE YEAR ENDED 31 AUGUST 2015 (continued)

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY THE COMPANIES ACT 2014

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

- In respect solely of the limitation on our work on the completeness of National Campsite income, described above, we have not obtained all of the information and explanation that we consider necessary for the purpose of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the Directors' report is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQURIED TO REPORT BY EXCEPTION

We have nothing to report in respect of the provisions in the Companies Act, 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.
