

beaver bay

Welcome to beaver bay, here some beaver scouts are also sea scouts. That means that they focus on water adventures. The boat badges help all beaver scouts to learn about scouting on water.

The first badge is **coracle**

To earn the badge:

- * Know how to keep safe in the water.
- * Find out what a chart is.
- * Find out about your local beach, lake shore or river.

The second badge is **currach**

To earn the badge:

- * Tie four basic knots.
- * Keep safe on the water and know the buddy system.
- * Find out how the weather affects you.
- * Visit a life boat station or other rescue service.
- * Know some nautical terms

boat badges

coracle

currach

skiff

The third badge is **skiff**

To earn the badge:

- * Know the knot we use to moor a boat.
- * Find out what buoyancy aids and lifejackets are, and what they do.
- * Know the special clothes & gear to wear when going on the water.
- * Find north using a compass and the north star.
- * Understand why we care for a boat, help with a little maintenance on a boat.
- * Find the weather forecast for your local area.

Activities to earn the boat badges will help earn the adventure badges too...

I'm Zena! I have an interest in boats and would like to learn more about sea scouting.
