Section 5 - Further Points about International Camp Applications

- International Camp applications must be submitted using the online MMS (Membership Management System). Paper forms are no longer valid.
- Each section must submit its own camp application i.e. a Cub Camp application, a Scout camp application, a Venture camp application, a Rover camp application etc.
- Adult members must be vetted with Scouting Ireland in order to participate in overnight activities.
- The training requirements can be split amongst the adults going on camp. i.e. one member can have Youth Led Programme, one member can have Overnights Adventures and International Camps or the same member can have both.
- The camp leader box will show anyone who has Being A Scouter providing the above training requirements have been met.
- Other Scouter Requirements - For the rest of the adults they need to have a Being a Scouter or Stage 2 Child Protection Awareness on their record to be selected to attend.
- Equivalent training courses from previous training schemes are also taken into account (e.g. Stage 2 Child Protection Awareness - Stage 5 Event planning or Stage 2 Child Protection Awareness and a Woodbadge Award etc.)
- Members will not appear in the camp leader box unless a combination of the training requirements as per the above has been met by the adults going on the camps.
- If the member has completed the required training and it is not on their training record then, please send a copy of the certs or record card to trainingbookings@scouts.ie and this will be updated.
- Requirements for First Aiders works the same way as the Camp Leader box due to an error, so select the camp leader again and you can write the first aider in the camp information box.
- Only Youth Members who are listed in the section will be eligible to participate in an International Camp for the section.
- Only adult members with the membership type of “Scouter” or “Scouter + Rover” can be entered as the Camp Leader or First Aider.
- At least one Scouter partaking in the activity must hold an appropriate First Aid certificate (i.e. REC/Wilderness First Aid)
