

Departments Introduction	Finance and Compliance  The Department suppo	Volunteer Resource Management and Group Support orts the delivery of a positive	Information and Communication Management experience in line	Corporate Services  ne with our mission, aim and	Programme Services values to ensure the empo	Safeguarding  owerment of youth.	Transition  The Department is tasked with the restructuring of SI
							so that it supports the delivery of a positive scouting experience in line with our mission, aim and values to ensure the empowerment of youth.
Departmental Values	These are the guiding values of every Department in Scouting Ireland:  Youth Centric Approach Carrying out each of our functions and objectives in a manner that invariably involves, serves and considers the best interests of our youth members.  Scout Method The working model of all departments must reflect the eight areas of the Scout Method: Nature and the Outdoors Law and Promise Learning by Doing Personal Progression Symbolic Framework Service and Commitment Young People and Adults Working Together Small Group System Interdependence All Departments must provide collegial support to the each other, while working together to achieve the overall aim of Scouting Ireland.  Progressivity By continuously evaluating our methods of working, functions and objectives, we must ensure that we are adaptable and relevant						
Role of Department	-Finance -Compliance -Company Secretary role	-Group Support -Adult Membership -Adult Support -Delivery of Training -Development of Training -Disputes Resolution and Discipline -Delivery of QSE	-Research -Strategy -Data management -Internal and external communications -Grant Applications -International affairs	-Administration -IT -Events and activities (and associated administration) -Facilities -Health and safety -National Centres	-Programme implementation -Maintaining our unique pedagogy (a method and practice of teaching) -Programme research and development -Programme initiatives	-Safeguarding Youth and Adults -Training and Education -Monitoring, Evaluation and Reporting -Advocacy -Liaison with statutory	-Change management -Organisational development -Adherence to legislation -Assess change impact -Communicating change
